

Town of LaGrange
Monthly Patrolman, Roads, and Agenda Meeting Minutes
Wed, 8 January 2025
5:00pm at Town Hall

Attending: Brendan Smith, Loren Schleusener, Wendy Von Haden, Cody Schaub, Bruce Meiners
Call to Order at 5:00 pm

Update on Putters Ridge Water Project – the project is pretty much done. The main inlet valve will be raised or lowered based on Gerke's property. There was a discussion regarding the old culvert. The rest of the project will be completed in the spring.

Status Check on Road Project Reimbursements

- Ellsworth Road – payment pending
- Embay/England - payment pending

Patrolman's Update – Cody gave an update on the salt/sand usage. We have used a lot more than years prior. He is concerned with the amount of salt in the sand that we get from the county. Cody called the county and inquired about it. They are saying it is the same as other years. Cody has been adding more salt to the sand.

Cody picked up the truck from Rudig. It was all under warranty

Sterling is at Kimptons, hoping to get it back next week. It has an oil line that has a hole. Kerwin has been doing a good job plowing snow. The new plow truck is here. Loren recommended getting the lettering done soon. The box etc. will probably not be completed until fall 2025. Cody would like to set up a meeting with the recycling center people to discuss the new rules regarding mattresses and ag plastic. This will be discussed on Monday. Cody would like to get a road work ahead sign replaced that was damaged. Cody will be off Jan 27, 28 and Feb 17 & 18. Cody mentioned that Fred wasn't sure how much more he wants to work after this summer. Discussed the standards for the cemetery mowing and about needing to contact the Busser's to see if they are interested in mowing this coming summer. Our joint hours between La Grange and Greenfield are a wash this year. They are going to be cutting trees in the next few weeks.

Road Tour – discussed having road tour this Saturday if it doesn't snow. If not Saturday, then maybe Jan. 20th. Need to do the Paser stuff this year with the Road Tour.

Generate/Approve 13 January 2025 Monthly Meeting Agenda – the meeting will start with the memorial wall dedication. Brendan discussed the agenda for the memorial wall. Brendan asked Cody to put some cones by the flagpole, so nobody parks by the flagpole.

Adjourn at 5:55

Wendy Von Haden, Clerk
