Call to Order at 5:00 pm

Formica/Estate/Essex ARIP Engineer Update Call – Jay was present via Teams. He gave a status update. Working on preliminary design. Working with DNR on wetland concerns, also working with DOT coordinator for the railroad tracks. Invites have been mailed for the public outreach meeting on 8/19/25. Preliminary plans will be available at that meeting.

Ellsworth Road – there are two issues left. The drainage by the town shop. Brendan is looking for a solution. The other issue is the drainage at a residence near the golf course. The board feels this issue was not caused by the road construction. The board will make some decisions on these issues at Monday's meeting.

Division Road/Flock Ave Chip Seal – this is completed.

Ensign Road Repair – this has been completed.

Town Hall Crack Seal and Paint – waiting for a date

Goldbug – waiting to be completed

Dogwood Mowing – waiting to be completed

Brendan gave the Supervisor's a copy of the Five-Year Road Plan, this will be discussed at the Monday meeting.

Patrolman's Update – Cody has been working on getting the shoulder completed on England and English, it is approximately half done.

Got the Sterling truck back, brakes are repaired.

Two days of mowing left.

Got the tires rotated on the 550.

Cody would like to wait until next year for the new road in the cemetery.

Cody asked about getting some parts for the mower. Cody will get these parts ordered.

There was discussion about the bridge report. Brendan will follow up with this.

The new plow truck should be completed in September.

Still having problems with the backhoe. The board has decided to start looking into getting information for a new backhoe. This will be discussed more on Monday.

Cody mentioned that the town will need to replace a recycle center employee.

Cody explained that the push mower was damaged. It has been replaced.
