

**Town of LaGrange**  
**Monthly Patrolman, Roads, and Agenda Meeting Minutes**  
**Wed, 4 March 2026**  
**5:00pm at Town Hall**

Attending: Brendan Smith, Loren Schleusener, Wendy Von Haden, Cody Schaub, Brock Bailey

Call to Order at 5:00pm

Formica/Estate/Essex ARIP Engineer Update Call – discussed scheduling a preconstruction meeting. This will be a published special meeting. Jay will talk to Gerke's to get some meeting dates. Jay is working on the permitting. Three permits: Army Corp permit, DNR permits (wetland/construction permit) and storm water permit. Once the waiting period is done, we will be good to move forward.

Patrolman's Update – Delivered the Sterling that was sold on auction. Radios are moved to the new truck. The backhoe should have come off the production line on Monday, 3/2/26. Should hear something soon with a delivery date. There was a discussion about the grapple. Cody needs a new battery for the tractor. All road ban signs are up. Used around 85 tons of sand in February. Cody is going to start rebuilding the mower. Cody will need some wire for the welder; he gave the board some pricing. Cody priced gas for the welder and torches; this will be discussed in July at the expiration of the lease with Airgas. Loren asked about the damaged mirror on the truck.
